I take pride in providing safe, holistic, and compassionate patient centered care. I understand that Healthcare is ever changing, and am eager to adapt to evidence based practice. This ensures the best care possible for each patient.

Authorized to work in the US for any employer

Work Experience

Registered Nurse

Trident Medical Center - North Charleston, SC

July 2021 to Present

I am an ACLS certified Registered Nurse on a Telemetry Unit. I am experienced in titration of Amiodarone, Nitroglycerin, Heparin, and Cardizem drips. As well as monitoring patients on non titratable Dobutamine drips. I have extensive experience in post cardiac procedure care. This includes heart catheterization, CABG, and ablations. Our unit is qualified to float to the step-down unit so I have experience with this type of care as well.

Server

Mugshots Grill And Bar

July 2018 to April 2021

Server

RN

Expires: April 2024

State: SC

Skills

- ACLS/BLS certified. Exceptional at giving and receiving constructive criticism, which is vital to improvement of skills in the workplace. Can communicate ideas effectively. Thorough knowledge of therapeutic communication techniques, and how to avoid non-therapeutic communication. Leadership: Effective at taking leadership during stressful moments and directing those around to alleviate problems quickly. Experienced at improving time management by delegating appropriate tasks to others. I take ownership of problems that may arise and quickly work to eliminate them.
