+1 608 449 6516

Well-educated registered nurse who is exceedingly eager to further my nursing career in a travel setting. Effective in difficult environments with plenty of firsthand knowledge on what it's like working with people in stressful situations. Vast experience in assisting the elderly with activities of daily living. Well-equipped to provide emotional support, with a degree in Psychology. Motivated worker who has proven to be exceptionally successful in previous positions.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
