Recruiting Team,

Sacramento, California

Dear Recruiting Team,

As a young, hardworking, keen, and motivated individual who graduated UNLV School of Nursing BSN program with astounding recognition, I am qualified for and am very interested in being a registered nurse at your state-of-the-art hospital. Completing this program has provided me with a plethora of skills, experiences, and capabilities that will meet the needs of this role. I believe our mission, visions, and values are well-aligned for a successful, impactful future.

With my background and experience, I offer healthcare knowledge, proven clinical skills, and record of excellence patient centered care you are seeking for your registered nurse position. I also possess strong leadership aspirations and key strengths in critical thinking, communication, teamwork and collaboration, and leadership. Focused on continued growth and progress, I am skilled in improving operations and processes while inspiring teams to deliver superior performance. Your exceptional hospital service and reputation along with your outstanding life enriching vision stood out to me. Thus, I would love to be a part of this caring team and quickly become a productive leader of your team. I believe that my passion, commitment, motivation, and phenomenal skills will enable me to be a valuable asset to your team and contribution to your hospital.

I have been continuously commended by others for my excellent work ethic, keen intelligence, kindness, caring nature, positive attitude, open mindset, eagerness to learn, engaging and enthusiastic personality, acceptance to challenges, and high level of interpersonal skills and professionalism. I am eager to offer an entrepreneurial mindset to build creative solutions with your team. I share our commitment to quality care and would appreciate the opportunity to meet with you for an interview. I have enclosed my resume for your consideration. Please feel free to contact me via phone or email at your convenience.

Thank you in advance for your time and consideration. I look forward to hearing from you soon. Take care :)

Sincerely,

Mey Mey Heng, RN, BSN
