Work Experience

Registered Nurse House Supervisor

Riverside w/Select Medical Specialty Hospital - Newport News, VA

August 2016 to Present

Established individualized excellent care as a med/surg acute care floor nurse in a 25+ bed facility with medically complex condition requiring acute care over an average stay of 25 days with mental, spiritual, physical, and emotional care for clients. Obtained & monitored labs, specimen collections, medication administration, wound care including wound vacs, tracheostomy & ventilation care. Collaborated with physicians and other nursing staff in regards to patient's status and desired treatment.

Administered frequent mental evaluations to ensure no further decline while in an inpatient setting, assisted RN's with discharge plans that consist of home settings, acute or inpatient placement for more patient care.

LPN-Charge Nurse

Autumn Care of Portsmouth - Portsmouth, VA

June 2017 to March 2018

Managed caseload of 25+ residents in both long term care & skilled/rehabilitation units while establishing positive relationships with residents, families, and other staff. Provided residents with exceptional personal care, appropriate medication administration, treatments, wound care, tracheostomy care, IV therapy & specimen collections. Monitored, recorded, & coordinated care of resident's conditions with a multi-disciplinary team as appropriate utilizing computerized documentation systems.
