WORK HISTORY **INTENSIVE CARE REGISTERED NURSE, MCLEOD HEALTH OF CHERAW**

July 2021 to Present

- Provide patient care, perform assessments, and interventions in a busy 6 bed ICU unit serving trauma, critically ill, and post-surgical patients.
- Monitor patient vital signs, adequacy of ventilation, and levels of consciousness, and pain; notify physicians of clinical changes; as well as prepare and implement patient care plans.
- Educate and communicate the patients' condition to family members in a compassionate and non-technical manner. Assist with conflict resolution in tense situations.
- Administer medications (IV, Sub-Q, Oral, etc.) as determined by the patients' condition.
- Cooperate well with a multi-disciplinary team of physicians, dietitians, administrators, and nurses in a high stress environment.

REGISTRATION CLERK, MCLEOD HEALTH OF CHERAW

November 2019 to July 2021

- Greeted patients, provide outstanding compassionate patient service.
- Efficiently interviewed approximately 22 patients daily to process registration forms and acquire accurate demographic information.
- Transported patients to hospital departments as necessary, and work with team to consolidate duplicate registration procedures.
- Answered, transferred, and responded to ER department phone calls and provide general emergency department information.
- Interacted effectively with physicians, patients, visitors, staff, and the healthcare community.

NURSE EXTERN, MCLEOD HEALTH OF CHERAW

November 2019 to July 2021

- Performed basic procedures such as intravenous access, urinary catheter insertion and removal, dressing changes; non-sterile, performed and recorded vital signs, and test glucose levels.
- Performed head-to-toe assessments, as well as administer PO, SQ, IM, IV, topical, and sublingual/inhalation medications with the supervision of a Registered Nurse.
- Reported all observed symptoms, reactions, treatment, and changes to the Registered Nurse.
- Preserved patient dignity and minimized discomfort while carrying out duties such as bedpan changes, emptying drainage bags, and bathing.
- Assisted patients with activities of daily living including assisting with meals, transferring using assistive devices, and grooming.

PATIENT CARE AIDE, COMFORT KEEPERS

May 2018 to November 2019

- Assisted client with self- administered medication, according to physician orders and notes.

- Performed light housekeeping duties to help client with their daily living, including cleaning and meal preparation.
- Assisted client with personal grooming and hygiene, including bathing, clothing, and nail care.
- Assisted client with positioning, ambulation, and previously established exercise programs.
- Followed care plan, home regulations, and ensure safety practices are consistently implemented.
