## WORK EXPERIENCE

### **CLINICAL NURSE I (OBSERVATION CARE) AT MEMORIALCARE SADDLEBACK (11/2021-CURRENT)**

- Responsible for the following: delegation of tasks and supervision of unlicensed employee activities, assessment of patients, development of plan of care, patient/family education, implementation of treatment interventions, and evaluation of care rendered.
- Utilized knowledge of patient age, cultural diversity, psychosocial and/or spiritual needs into the patient's plan of care.
- Collaborated with other professional disciplines to ensure safe and effective patient care delivery, as well as the achievement of desired/positive patient outcome.

### **PATIENT CARE TECHNICIAN II AT MEMORIALCARE SADDLEBACK (04/2020-11/2021)**

- Improved on managing multiple patient load and assignments.
- Accounted for patient admission, discharge, evidence-based patient care, accurate documentation, and patient safety.

### **PATIENT CARE TECHNICIAN (FLOAT POOL) AT MISSION HOSPITAL (07/2019-01/2020)**

- Worked as a one-on-one safety attendant for patients in the Psych/Behavioral Unit.
- Fulfilled the following technical skills: 5-Lead and 12-Lead EKG, collection and handling of biohazard specimens; application and removal of restraints.

### **CERTIFIED NURSE ASSISTANT AT ALTA GOLDEN MEMORY CARE (12/2014-07/2020)**

- Provided physical, emotional, and spiritual care and comfort for patients who are in hospice under the supervision of a licensed nurse.
- Assisted patients with home health services, physical therapy exercises, companionship, transportation, meal preparation, and medication reminders.
- Facilitated interaction with residents diagnosed with Dementia and Alzheimer's through consistency, re-direction, and cognitive stimulation activities.
