WORK EXPERIENCE

Memorial Regional Hospital

Emergency Room Travel Nurse

Hollywood, FL

November 2021 – April 2022

- Manage care of adult patients experiencing life-threatening problems, requiring complex assessment, high-intensity therapies and interventions in a 160 bed Level I trauma center
- Fill gaps in staffing needs to alleviate the shortage of registered nurses necessary to provide safe and proficient patient care
- Perform intravenous catheter insertion, venipuncture, medication administration, assist in rapid sequence intubation, EKG, cardiac monitoring, and other medical procedures to facilitate treatment plan

Northshore University HealthSystem

Emergency Room Staff Nurse

Glenview, IL

April 2019 – October 2021

- Serve as member of an interdisciplinary healthcare team in providing critical care and performing life-saving interventions in a fast-paced, 30-bed Level II trauma center
- Assist in the care of multiple traumas, cardiac arrests, stroke, rapid sequence intubations, and conscious sedations
- Provide care to people across the lifespan with different health conditions from infants, children, pregnant women, and the elderly
- Apply expertise in the analysis of lab work and imaging; performed procedures including intravenous catheter placement, foley catheterizations, nasogastric/orogastric tube placements; administration of blood/plasma products, critical care medications, and narcotics

Presence Holy Family Medical Center

Intensive Care Unit Nurse

Des Plaines, IL

August 2020 – February 2021

- Provide holistic care in a 10-bed long term acute care setting for patients requiring medically intensive care
- Execute continuous patient monitoring through the assessment of vital signs, intake and output, telemetry, blood and diagnostic tests, and medication administration
- Advocate care for patients by educating patients/families and coordinating care between patients/families and the multidisciplinary team caring for the patient
- Assist in the complex pharmacotherapy administration of sedative-analgesics, antibiotics, antifungals, anticoagulants, antiarrhythmics, pressors
