Experience

MSN, RN, CRRN | NORTHWEST HOSPITAL | DEC 2021-PRESENT (CONTRACT)

Medical Surgical. Amarillo, Texas

Surgical services: Inpatient pre-operative and post-operative services. Care for patient population including patients with multi-system organ failure, respiratory failure, diabetic emergencies, drug overdoses, autoimmune crisis, and many other disease processes.

MSN, RN, CRRN | SOUTH PLAINS HOSPITAL | MARCH 2020-2022 (PRN)

Medical Surgical. Lubbock, Texas

Help patients by supervising care and treatments, leading patient assessments, creating personalized plans of care, targeting patient concerns, and offering the best solutions. View each patient with a strong sense of empathy, listen closely to their personal stories, and get to know each one's physical, mental and emotional needs. See patients progress due to the effort you and your team put forth each day and build rewarding relationships with them during stays that last from two to four weeks. Spend each day helping someone to regain control of their lives with the goal of being discharged from the hospital and back to their community,

MSN, RN, CRRN | UNIVERSITY MEDICAL CENTER | DEC 2020- JULY 2021 (CONTRACT)

Medical Surgical Trauma/Supportive Care Unit. Lubbock, Texas

Surgical services: Inpatient pre-operative and post-operative services. Care for patient population including patients with multi-system organ failure, respiratory failure, diabetic emergencies, drug overdoses, autoimmune crisis, and many other critically ill patients. End of life care in supportive care unit as directed by palliative care team. Provides patients relief of pain and symptoms to improve quality of life. Support for families and caregivers during the transition to end of life.

BSN, RN, CRRN | ADVENTHEALTH-DAYTONA BEACH | AUGUST 2016-MARCH 2020 (CONTRACT TRANSITIONED TO STAFF)

Medical Surgical. Daytona Beach, Florida
