### **RN- Surgical Nurse**

TERRENCE Hall MD - Hall, MD

December 2000 to August 2015

Assessed need for, ordered, obtained and interpreted appropriate lab tests.  
Chronic patient care in med-surg unit, adeptly handling all aspects of treatment from medication to wound care. Self-directed with astute judgment skills. High level of personal accountability.  
Effective counseling in health maintenance and disease management.  
Managed care for post-operative patients through discharge.  
Performed lab tests and communicated results.  
Liaised between patients and physicians to ensure patient comprehension of treatment plans.  
Instructed patients and family members on proper discharge care.  
Developed patient care plans, including assessments, evaluations and nursing diagnoses.  
Documented patient information obtained from interviews.  
Assisted doctors with surgeries and non-invasive procedures.  
Authorized drug refills and provided detailed prescription information to pharmacies.  
Collected blood, tissue and other laboratory specimens and prepared them for lab testing.  
Maintained all confidential personnel files, license and CPR compliance records.  
Performed monthly inventory and maintained office and medical supply counts.  
Routinely retracted patient throat cultures and prepared for lab submission.  
Scheduled patient admissions and discharges. If Dr Hall was out of office would work med/surg or telemetry as well as step down unit. While working with this physician we saw patients at several different hospitals that he contracted with: Marshall Browning Hospital, Hamilton Memorial and Franklin Hospital as well as Cross Roads Community Hospital. Assisted with all surgical procedures in office and in the operating room.

### **LPN**

LSW - Evansville, IN

February 1989 to December 2000

Liaised between patients and physicians to ensure patient comprehension of treatment plans.
