

Engaging and detail-oriented Registered Nurse with five years of experience as an Intensive Care Unit Nurse, hoping to leverage my skills and knowledge in a new role.

## Qualifications Summary

- ◆ Visionary professional and servant leader with the ability to provide leadership, direction, and assistance during emergencies while maintaining a comforting and reassuring affect for patients.
- ◆ Collaborative team player with high emotional intelligence and the capacity to educate patients on health maintenance and respond to patient care inquiries.
- ◆ Resilient individual with a dynamic growth mindset and a genuine desire to increase engagement and satisfaction by integrating feedback from patients, management, and professional colleagues.
- ◆ Organized professional with a proactive mindset and a strong work ethic, able to maintain and review patient records, charts, and other pertinent information to ensure quality care.
- ◆ Highly effective strategist with the capacity to use creativity to determine the best course of action for the organization with skills that transfer across multiple industries and positions.
- ◆ Competent nurse that utilizes current evidence-based medicine coupled with expert clinical knowledge and skills in the assessment, treatment, and disposition of acute and chronically ill and injured patients.

## Career Experience
