Ambitious Board Certified Registered Nurse specializing in telemetry and medical-surgical units. Expert in all aspects of patient care with success in working with multidisciplinary teams to create care plans focused on helping patients recover from medical or surgical procedures and manage complex disorders.

Accomplished in the delivery of care and patient satisfaction. My goal is to work in a hospital that I can grow my skills in and stay long term.

Authorized to work in the US for any employer

Work Experience

Registered Nurse Case Manager

Bridge Home Health and Hospice - Murrieta, CA
January 2022 to May 2022

- Managing a caseload of 15-25 patients, supervising LVNs and hospice aides.
- Weekly visits for assessments, medication management, and providing education.
- Assesses and evaluates patient's status by: Writing and initiating plan of care, regularly re-evaluating patient, and caregiver needs, participating in revising the plan of care as necessary
