

# RISA FABELA

## OUTPATIENT RN

### CAREER OBJECTIVE

Hard-working professional with 11+ years of experience and a proven knowledge of acute care facility, outpatient care, and pre- and post-op care. Aiming to leverage my skills to successfully fill the Outpatient RN role at your company.

### EXPERIENCE

#### PRE-OP/PACU RN

*City of Hope , Duarte , CA | Sep 2021 - Present*

- Utilizes the City of Hope nursing process in clinical practice, which includes: assessment, planning, intervention, evaluation and documentation
- Responsible for triaging, assessing, implementing and evaluating a plan of care for patients, visitors and employees.
- Provides health care instruction to patient and family members.
- Provides telephone advice to patients using developed protocols and nursing judgment.
- Consults and collaborates with other disciplines to modify the plan of care as necessary and to ensure optimal patient care and outcomes
- Assists members of the health care team with examinations, procedures and other processes related to direct patient care.
- Administers and controls medications and infusions, including narcotics, biologic therapies, and blood component transfusions, etc.

#### RN LEAD PRE-OP PACU II

*Adventist Health of Glendale , Upland , CA | Sep 2010 - Aug 2021*

- Monitor, record, and report symptoms or changes in patients' conditions.
- Record patients' medical information and vital signs.
- Order, interpret, and evaluate diagnostic tests to identify and assess patient's condition.
- Consult and coordinate with healthcare team members to assess, plan, implement, or evaluate patient care plans.
- As the lead nurse, directs or supervise less-skilled nursing or healthcare personnel or supervise a particular unit.
- Collaborates and prepares patients for surgeries, GI lab, Cath lab, radiology department, and respiratory department.
- Strong knowledge of IV therapy. Administers IV fluids and medications vital to the patients diagnosis and treatment.
- Collects lab specimens as needed for the patient.
