## Nursing Experiences

**REGISTERED NURSE- TRAUMA ICU | OU MEDICAL CENTER,  
OKLAHOMA | LEVEL 1 TRAUMA, TEACHING FACILITY | APRIL  
2022-PRESENT**

- Meditech EMR

- Providing critical nursing care in a diverse setting. Handle medical emergencies resulting from events such as strokes, cardiac arrest, myocardial infarction, head injuries, life changing trauma and accidents.
- Assisted physicians in rapid sequence intubations
- Assessed, planned, implemented, evaluated and documented nursing care for patients experiencing life-threatening problems requiring complex assessment.
- Worked with intubated and trach patients frequently
- Titrated and weaned vasoactive/inotrope medications.
- Managed chest tubes, foley catheters, central lines, arterial lines, and other devices.
- Closely monitored hemodynamically unstable patients and implemented appropriate interventions.
- Assessed need for, ordered, obtained and interpreted appropriate lab tests.
- Developed patient care plans, including assessments, evaluations and nursing diagnoses.
