I'm a Texas State Board Certified Registered Nurse with over 10 years of experience delivering high-quality care to patients in med-surg and rehabilitation care units. Proven leader effective at uniting and guiding nursing teams toward achieving patient care goals, improving satisfaction and supporting wide-spread healthcare system improvements. Focused on continuously advancing expertise in evidence based care in emerging illnesses while driving innovation towards care for the sick.

## Work Experience

---

### **RN Floor Nurse**

The Lodge At Bear Creek - Grapevine, TX  
January 2019 to Present

- Administered medications, monitored dosages and documented patient conditions.
- Guided therapeutic communication, conflict resolutions and interventions by deflecting undesirable behaviors to assist patients with developing and amplifying coping skills.
- Coordinated care with physicians and other clinical staff to prepare for treatment, carry out interventions and enhance continuum of care to deliver comprehensive services.
- Monitored and recorded patient condition, vital signs, recovery progress and medication side effects.
- Interpreted X-rays, labs and EKGs to notify physician of abnormal results.
- Completed follow-up phone calls to provide referrals and data according to patient's needs.
- Performed insertion or discontinuation of IV lines.

### **RN Charge Nurse**

Kindred Transitional Care and Rehabilitation - Grapevine, TX  
June 2011 to July 2019

- Monitored delivery of patient care for entire unit, including implementation of care plans.
- Maintained comprehensive patient care plans and monitored staffs' implementation of physician's orders.
- Administered oral, intramuscular and IV medications to patients and monitored responses.
- Answered patient questions and provided take-home materials for further information.
