Highly motivated and compassionate nurse looking to be part of a team of skilled caregivers who care for individuals in need of competent healthcare. I am self-directed and resourceful with a passion to work with and care for people in any type of setting. I currently work at a stand alone Emergency Room. I have gained an immense amount of clinical experience from my floating experiences and mentors. I have also taken care of Covid patients since the outbreak began.

Authorized to work in the US for any employer
