Texas Health Resources, Arlington, TX

8/2016 – 12/2016

Trauma ICU Nurse

Texas Health Harris Methodist Fort Worth, TX

8/2014 – 8/2016

Primary care RN in 20-bed trauma intensive care unit. Also provide care to medical/surgical overflow patients. Proficient in continuous renal replacement therapy (CRRT). Monitor intravenous drips and adjust appropriately per MD orders. Frequently set up invasive and non-invasive continuous hemodynamic monitoring reporting critical findings, lab results, and assessment changes to physicians promptly. Recover post-operative patients as needed.

United States Air Force Reserves

Clinical Nurse

301st MDS Naval Air Station Fort Worth Joint Reserve Base, TX

10/2014 – 11/2016

Developed training and education curriculum for medical technicians. Assisted in set-up and training for fellow nurses and med techs in annual skills-fair. Assisted in fall immunization clinics on base.

**United States Air Force
Pediatric Nurse
12/2010 – 8/2014**

San Antonio Military Medical Center, TX

Provided medical/surgical pediatric care to patients aged 0 to 23 years in Department of Defense's largest inpatient facility and Level 1 trauma center. Supported over 2K admissions/year, 42 pediatric residents, 13 specialty clinics, fellowships, and multiple Army/Air Force training programs. Supported research protocols and administered chemotherapy to over 200 pediatric oncology admissions/year. Participated in family-centered care, providing age-specific/parent education.

**Triage/Trauma/PACU/ICU Nurse
6/2012 – 12/2012**

Forward Operating Base Sharana, Afghanistan

Supported Operation Enduring Freedom mission by providing 1500+ hours of critical care nursing to 250+ adult and pediatric patients. Ensured safe transport to higher level of care. Followed the Institute of Surgical Research Joint Trauma System (JTS) Clinical Practice Guidelines to care for injuries involving surgical care, traumatic brain injury, blast/gunshot-wounds, burns, and amputations.

EDUCATION AND TRAINING

Doctorate of Chiropractic, Parker University, Dallas, TX, 8/2016 – 4/2020

Bachelor of Science in Nursing, Illinois State University, Normal, IL, 8/2006 – 5/2010

Commissioned Officer Training, Maxwell AFB, Montgomery, AL, 8/2010 – 9/2010

Provided 4.5 week military and leadership training. Received over 85 hours of instruction in the areas of the profession of arms, military and regional studies, leadership, and communication skills. Participated in over 40 hours of leadership practicum activities.

Nurse Transition Program (NTP), Lackland AFB, San Antonio, TX, 9/2010 – 12/2010

Facilitated the transition of novice nurse into the role as USAF Nurse Corps officer in medical treatment facilities. Provided opportunity to gain experience and competence in direct patient care under the supervision of a nurse preceptor. Course included didactic and clinical components correlated with JCAHO, ANA standards, and Air Force directives over 11 weeks.

A Slice of AACN NTI/CCRN Review Course, Las Vegas, NV, 4/2011

30 hours continuing education for critical care

Center for the Sustainment of Trauma & Readiness Skills (CSTARS), University of Maryland/Shock Trauma, Baltimore, MD, 2/2012-3/2012

Provided real-time training over 3 weeks in trauma and critical care to Air Force physicians, nurses, and technicians. Prepared military personnel for treatment of wounded soldiers in high-stress field hospitals in Iraq and/or Afghanistan.
