Safely provide patient care to med-surg and icu patients. Provide wound care and change wound vacs as ordered. Give medications IV, PEG, jtube, NG/OG tube, subcutaneous, oral, and topical. Provide care to patients on ventilator, trach collar, vapor therm, and hi-flow oxygen. Provide care to chest tube patients. Titrate critical drips by protocol and hourly documentation with critical drips. Change picc line dressings, flush with normal saline. Administer and monitor blood transfusions. Initiate and monitor continuous bladder irrigation's. Report changes to Doctor. Respond quickly and appropriately to changes in patient. ACLS and BLS certified.

Charge Nurse

PINE CREST NURSING HOME - Lufkin, TX

February 2019 to November 2019

Provide care to 10-14 residents. Ensure quality of care and safety to residents and report any changes to doctor and supervisor. Administer meds orally, IV, tube, topical, subcutaneous. Provide wound care and assist with ADLs. Document after shift.

LVN

Thrive Skilled Pediatric Care - Tyler, TX

March 2018 to May 2019

Provide one on one care with medically fragile children. Assess patient and report any changes to supervisor and mother. Check vital signs every 2 hours. Administer medicine and feedings via G Button. Change trach and provide trach care. Document on computer.

Provider

Quality Care Services - Lufkin, TX
May 2016 to March 2017

I would see 2-3 clients a week, provided personal care, prepared meals, administer medicine, help with cleaning around the house, make sure client is in a safe environment, transport client to Dr. appointments or any other places needed to go, document care in a notebook, report any changes to supervisor, and make sure client is in safe environment.

CNA - Certified Nursing Assistant

Westward Trails Nursing & Rehab - Nacogdoches, TX
December 2012 to July 2014

I had 7-9 patients on hall, I provided personal care, make beds, assisted with meals, make sure patients are in a safe environment and comfortable, report to the charge nurse, and document on Kiosk.
