Dedicated and compassionate Registered Nurse (RN) with progressive career history in direct patient care, triage and care coordination in fast-paced environment. Proven to remain calm under pressure and skillfully handle difficult patients and high-stress situations. Consistently developing strong relationships with patients and families through empathetic communication, respectful attitude and excellent customer service.

Authorized to work in the US for any employer

Work Experience

Registered Nurse, Per Diem

LACUSC Medical Center - Los Angeles, CA

November 1987 to October 2021

- Managed care from admission to discharge.
- Provided direct patient care, stabilized patients and determined next course of action.
- Administered medications via oral, IV and intramuscular injections and monitored responses.
- Conferred with physicians to discuss diagnoses and devise well-coordinated treatment approaches.
- Trained new nurses in proper techniques, care standards, operational procedures and safety protocols.
- Complied with infectious disease measures to reduce spread of COVID-19 between patients, families, and medical personnel.
- Performed mental health evaluations when warranted and recommended patients to therapists.
- Complied with all security regulations within prison system and administered care in safest possible environment.
- Managed pre-op and post-operative patient care by stocking medical supplies and preparing operating rooms.
- Educated patients and families on medical-surgical procedures, therapeutic regimens and pain management techniques.
- Collaborated with nurse preceptors and other medical staff to achieve quality patient outcome goals.
