Work Experience

LPN (Licensed Practical Nurse) Unit Manager

Edenbrook Lakeside - Milwaukee, WI

May 2018 to Present

I currently hold an LPN position with Edenbrook Lakeside. However, I did start here as a nurse tech before graduation and was able gain a ton of knowledge and experience that helped me transition into the the role of a licensed practical nurse. I worked as a charge nurse for 2 years. I am currently a unit manager/ Infection control nurse.

PCA Personal Care Assistant

IRIS - Milwaukee, WI

October 2016 to Present

This position allows me to work independently, while providing personal care services for individuals in need of medication administration, food preparation, bathing, grooming, activities, laundry, cleaning, taking vitals, assistance with doctor appointments, and any other services the client may need on a day to day basis.
