It is my personal goal as an RN to provide the highest quality of care for all individuals I serve. My professional goal as an RN is to be a member of a team that is constantly searching for best outcomes for clients and delivering excellent care and services to the community.

Authorized to work in the US for any employer

Work Experience

RN Charge Nurse

PAM Health - Round Rock, TX

October 2021 to Present

As the charge nurse I am responsible for daily staff assignments, coordinating care with doctors and supporting staff, blood draws, overseeing staff nurses and aides, patient assessments, communication with families, entering admission orders, and bedside care.

Director of Nursing

Le Reve - Dallas, TX

August 2020 to March 2021

As the director of nurses I was tasked with managing the facility and staff to provide quality outcomes. I worked closely with my interdisciplinary team to increase quality measures and ensure residents were receiving the highest standard of care from admission to discharge. I was responsible for managing the nursing budget and utilizing the budget to provide quality care and ensuring profitability for the company.

Director of Nurses

Garden Terrace Alzheimer's Center - Fort Worth, TX

September 2017 to August 2020

As the director of nurses I was tasked with managing the facility and staff to provide quality outcomes. I worked closely with my interdisciplinary team to increase quality measures and ensure residents were receiving the highest standard of care from admission to discharge. I was responsible for managing the nursing budget and utilizing the budget to provide quality care and ensuring profitability for the company.

Assistant Director of Nursing

WILLOWBROOK NURSING AND REHABILITATION

August 2009 to August 2017

08/2009-08/2017

I worked for Willowbrook for eight years of which five years was spent as ADON. During my tenure as ADON, I was responsible for: staff immunizations, infection control, weights, pharmacy requisitions, managing direct care staff, end of the month tasks, hiring and terminating staff, scheduling staff, staff development as well as incidents and accidents when director was away from facility.

I have one year of experience as charge nurse on the vent unit and I have two years of experience as charge nurse on the skilled unit.

Licensed Vocational Nurse on medical surgical unit

WOODLAND HEIGHTS MEDICAL CENTER

August 2008 to August 2009

Took care of 6-8 patients per shift. Responsible for: direct care of patients, physician communications, chart checks and communication with families.
