Work Experience

Licensed Practical Nurse

Symphony Of Crestwood Rehab - Crestwood, IL

October 2018 to Present

I am currently working in the above Healthcare Center as a Licensed Practical Nurse (LPN). I take care of geriatrics, skilled, and Post acute patients. My duties include but not limited to administering medication as prescribed by the Doctors, assessing, implementing and documenting patient care. Also monitoring patients closely for any sudden change with their current health status, and following up with the Doctor and also collaborating with appropriate Healthcare teams within my professional scope and job descriptions.

Licensed Practical Nurse
