I believe I possess the experience, clinical knowledge, and professional skill set you are seeking. My proven commitment to exceptional patient care coupled with extensive experience scrubbing & circulating surgical cases make me a leading candidate for this role.

I am providing only high level, bullet point information on this preliminary submission. Following review, please consider my request for a formal interview. I would like the opportunity to meet and learn more about this role & practice. At this time, I would also like to share additional information highlighting my background and professional nursing accomplishments.

I appreciate your time and consideration.

Thank you,

Angie Duncan, RN CST
