Amanda Ceus, RN

45 North Goodwin Avenue, Elmsford, NY 10523 | 914-575-7675 | amandaceus@yahoo.com

Objective

- Graduated from a 4-year accredited college in Nursing and received my professional license as a Registered Nurse. Devoted, dedicated, motivated and compassionate with a great love for providing health care, I hope to start my career in this rewarding profession here at this wonderful establishment. Licensed to practice in New York, and possesses a Bachelor's of Science in Nursing.

Education

High School Diploma | May 2012 | Maria Regina High School

Bachelor's of Science in Nursing | January 2019 | The College of New Rochelle

Licensures & Certifications

- Registered Nurse: New York State Board of Nursing License #786179
- Basic Life Support (BLS) certified by American Heart Association

Clinical Experience

Fundamentals of Nursing - The New Jewish Home, Sarah Neuhman

Care of the Critical Adult I - New York-Presbyterian Lawrence Hospital

Care of the Critical Adult II - Phelps Memorial Hospital

Maternity Nursing - Northern Westchester Hospital

Pediatric Nursing - Blythedale Children's Hospital

Psychiatric Nursing - Bronx Care Health System

Leadership in Nursing - Bronx Care Health System

Experience

REGISTERED NURSE | MOUNT KISCO HEALTH GROUP | FEBRUARY 2020 - MARCH 2020 [Furloughed due to COVID-19]

- Helped patients determine what type of care they need over the phone. Provide a cursory assessment of the patients and help them decide if they need to seek emergency treatment, make an appointment with a doctor, or treat themselves at home. Directing the care of other healthcare professionals, including licensed practical nurses, and medical assistants. Conducting research to improve patient outcomes and healthcare processes.

COVID-19 NYC CRISIS RELIEF REGISTERED NURSE | RIVER ISLAND MEDICAL CENTER HOSPITAL | MARCH 2020 - JULY 2020

- Worked in COVID-19 Pandemic Crisis Relief efforts in NYC. Routinely tested patients for Coronavirus. Performing physical exams and diagnostic tests. Collecting patient health histories. Educating patients about treatment plans. Administering medications, wound care, and other treatment options. Interpreting patient information and making decisions about necessary actions, where appropriate. Consulting with nurse supervisors and physicians to determine best treatment plans for patients.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
