Work Experience

Licensed Practical Nurse

NORTH OKALOOSA MEDICAL CENTER/ NORTH OKALOOSA PHYSICANS GROUP - Crestview, FL
March 2020 to Present

My job duties consist of working in a fast paced office. Where emergency situations can and have happened. Pts passing out or can stop breathing during procedures. Those procedures consist of endometrial biopsys . Colposcopys,pap smears,wet preps,assisting the Dr with pessary insertions , removal of cysts with biopsys, insertions and removal of IUD's and nexplanons. I give Shots , IM and Sub-q, remove post Op bandages and wound vacs. Patient care , vitals,labs ,patient education . Use of a doppler to obtain Fetal heart tones on pregnant patients. I offer support and comfort to all my patients in stressful timesand situations.

Phone calls, pt education. Obtain prior auths , manage and send referrals . Mammograms and Ultrasounds. I follow up on all pt care with my pts and with the office they have been referred to.

Pediatric Nurse 4 Years and Case Management with High Risk Population

NORTH FLORIDA MEDICAL CENTERS
May 2010 to December 2018

As a pediatric nurse I gave vaccinations , breathing treatments , head to toe assessments , vitals , responsible for overseeing and ordering vaccinations for the State of Fla Florida Shots Program . As a case manager position, I worked with our Providers to improve patient care for high risk and special populations through effective utilization and monitoring of healthcare resources. My goal while working with patient's is to enhance the patient's overall health and wellness by assisting them in any way that I can.

December 2018 Nurse at Busy Internal Medicine Primary Care Office with Sacred Heart Ascension

My Duties include vitals,pt assessments , EKG's,ear cleaning,critical thinking to assist patient's , neb treatments,IM shots,vaccinations,suture&staple removal ,following Provider orders, patient cases and med calls.Working with other facilities to schedule pt's for diagnostic tests and imaging.
