Work Experience

Registered Nurse Pre-Op/PACU

Freedom vision surgery center - Encino, CA

May 2021 to Present

- Assess, instruct & prepare patients prior to surgery
- Ensure that operative and informed consents are signed and correct
- Take and record vital statistics of patients to ensure readiness for surgical procedure
- Initiate IVs and ensure patients are informed about procedure
- Assess patients' post-operative condition
- Monitor vital signs and other measurements of progress, meeting discharge criteria
- Log all findings in patient files
- Answer patient questions and ensure patient comfort
- Monitor patients for condition changes, reporting any changes to physician
- Perform intervention duties during post-operative emergencies

GI PACU RN

VALLEY ENDOSCOPY CENTER - Tarzana, CA

January 2021 to Present

- Prepare patients for endoscopy and colonoscopy
- Provide thorough and accurate ongoing nursing assessment and monitoring patients receiving IV sedation
- Delegate responsibilities to MA's and technicians
- Provide post-operative education, discharge instructions, and address questions and concerns

Acute Dialysis RN

UCLA Health/Davita Acutes - Los Angeles, CA

May 2020 to October 2021

- Perform hemodialysis, CRRT, and PD to patients with critical underlying conditions in the acute care setting
- Assess and Monitor the status of patients before, during, and after treatments provided
- Communicate with the nephrologist, primary team, and nursing staff regarding patient's status and treatment
- Assess patients' knowledge and educate patients to reduce knowledge deficit regarding disease processes

- Swiftly and appropriately respond to dialysis-related emergencies such as hypotensive episodes, needle displacement or infiltration, and clotting episodes; delivering calm, level-headed solutions to diffuse stressful situations for safety of patient and staff

Telemetry Technician - Clerical Coordinator

Hoag Hospital - Irvine, CA

August 2017 to July 2018

- Identified abnormal ECG rhythms, new finding, and changes in vital signs for over 100 patients weekly.
- Immediately notified the registered nurse or the charge nurse of any reportable changes and new findings
- Performed administrative duties as the primary unit coordinator such as facilitating communication among 25 team members, answering patient's call lights.
