Registered Nurse

Service-Driven Healthcare Professional with expertise in Nursing, Patient Care, & Caseload Management

Registered Nurse seeking to expand skillset within healthcare. Experienced at collaborating on interdisciplinary teams inside and outside of the ICU with a consistent track record of exceptional patient care, exemplary documentation, and staff development. Individual committed to self-reflection, who consistently exceeds performance metrics, while proactively identifying opportunities to grow the team and organization.

CORE COMPETENCIES

- ◆ Nursing Process
- ◆ Staff Development
- ◆ Patient Care
- ◆ Hospice Care
- ◆ Crisis Management
- ◆ Diagnostics
- ◆ Medical Documentation
- ◆ Cross-functional Leadership
- ◆ Relationship Building

PROFESSIONAL EXPERIENCE

Veterans Affairs – Portland Healthcare System

2018 - 2022

Registered Nurse

- ◆ Utilized the nursing process (assessment, diagnosis, planning, implementation, & evaluation) to serve in multiple capacities from a 24-bed medical surgical unit to 28-bed intensive care unit.
- ◆ Supported caseloads of up to 5 patients at a time, delivering exemplary patient services as demonstrated by PressGaney scores of greater than >90% in all categories (kept informed, took time to listen, attitude toward requests).
- ◆ Provided attentive nursing care to hospice patients, as well as serving as a communication liaison for providers and patient's families.
- ◆ Collaborated with interdisciplinary teams including other nurses, physicians, pharmacists, social workers, dietitians, surgeons, and physical/occupational therapists – acting as patient advocate and liaison.
- ◆ Ensured accurate medical record keeping for all patients and developed custom nursing plans for each patient and determining appropriate interventions in consultation with the patient care team.
