Seeking the position of Registered Nurse in Emergency Department where I can utilize my wide range of experience in delivering safe and effective care for patients.

## Work Experience

---

Flex care staffing at Sutter Coast Hospital  
September 2021 to Present

Host Healthcare at Antelope Valley Hospital  
May 2021 to September 2021

Host Healthcare at Bakersfield Heart Hospital  
January 2021 to March 2021

### **Experience ER RN Travel Assignments**

AMN Healthcare at Kaiser Fontana  
September 2020 to December 2020

ER RN Centinela Hospital Medical Center  
January 2019 to August 2020

Provided emergency health care to patients as ordered by physician, Assessed, implemented and developed health care plans for patients, ensuring compliance to hospital policy, Delegating and supervising ancillary staff and working cohesively with interdisciplinary team.

### **Perioperative RN**

Downey Surgery Center  
February 2018 to October 2018

Assessed, planned and implemented the nursing care patients received before, during and after surgical procedures. Patient assessments were performed as well as creating and maintaining a sterile and safe surgical environment, pre and post-operative patient education, monitoring of the patient's physical and emotional wellbeing and integrating and coordinating patient care throughout the surgical care continuum.

ICU RN Coast Plaza Doctors Hospital  
August 2016 to March 2018

Performed careful assessment and monitoring of patient progress in order to watch for sudden or subtle changes in a patient's medical condition that might require emergency intervention. Most patients required respiratory and cardiac monitoring as well as treatment adjustments. I was responsible for managing medication doses, wound treatment, anesthesia and ventilator support.

### **Charge Nurse**

River Bend Nursing Center

February 2016 to August 2016

As charge nurse was responsible for overseeing the sub-acute department within the facility for my assigned shift. I delegating nursing assignments, prepared schedules, oversaw admissions and discharges, and monitored and ordering medicines and supplies. In addition to these managerial tasks, I carried a patient load and provided direct patient care.

### **RN Case Manager at Home and Healthcare Management**

Healthcare Management

May 2015 to February 2016

Admitted new clients by reviewing records and applications; conducting orientations. Completing intake interviews; determining need for therapeutic medical, psycho-social, and psychiatric evaluations; reviewing therapist evaluations, treatment objectives, and plans. Establishes treatment programs by setting schedules and routines; coordinating services being provided; arranging resources, including transportation and escort. Monitors cases by verifying clients' attendance; observing and evaluating treatments and responses; advocating for needed services and entitlements; obtaining additional resources; intervening in crises; providing personal support. Maintains clients' records by reviewing case notes; logging events and progress.

### **Caregiver**

Hour Homecare

January 2010 to December 2015

Provided basic care, including vital signs, hygienic and nutritional care to older adult clients experiencing a variety of medical-surgical health alterations.

Interacted with clients and their families providing physical and emotional support.

## Education
