## Work Experience

---

### **Home Health Nurse**

LHC Group

November 2020 to February 2022

Performed admission assessment for clients to obtain home health services in their home. Assessments included needs for the following: wound care, labs, social work, physical and occupational therapy. Collaborative communication with supervisors, doctors, pharmacists to provide safe optimal patient care. Performed care to patients as needed weekly to include: wound vac changes, port-a-cath care, skilled wound care, lab draws and physical assessments.

### **PACU RN**

Regional One Health - Memphis, TN

July 2018 to May 2020

Managed care from admission to discharge, including patient assessments, collaborating with other team members, care planning, health educations and discharging support to provide comprehensive care to patients.

Accurately documented all elements of nursing assessment, including treatment, medications and IVs administered, discharging instructions and follow-up care.

Followed all personal and health data procedures to effectively comply with HIPAA laws and prevent information breaches.

### **NICU RN**

Regional One Health - Memphis, TN

December 2015 to May 2020

Cared for high acuity patients in 65-bed level III NICU, supporting fellow nurses in delivering outstanding treatment to patients.

OR and delivery room care for high risk newborns to include initial assessments for respiratory distress and protocol initiations in collaboration with NNP and respiratory therapists.

Observed and documented patient factors such as diets, physical activity levels and behaviors to understand conditions and effectively modify treatment plans.

Educated family members and caregivers in patient care and discharge instructions to care for their baby.
