OBJECTIVE: A Registered Nurse seeking to obtain a position with a company that will enable me to advance my career in the medical profession as I become an asset as a team player who enhances its precepts, practices, and policies. Excellent interpersonal skills, and a dedicated worker with a sense of determination.

PROFESSIONAL EXPERIENCE:

May 2018 – October 2020

McLeod Regional Medical Center- Registered Nurse Medical Progressive Care Unit & 10 Surgical:

- Monitor four to six assigned patients, updating information on vital signs and progress of treatment. Documented data related to patients' care including assessment results, interventions, medications, patient responses, or treatment changes.
- Assessed condition of patients, ordering, and evaluating diagnostic tests as needed
- Collaborated with other healthcare professionals to plan, manage, and assess patient treatments in the medical progressive care unit. Administered blood product transfusions or intravenous infusions, monitoring patients for adverse reactions.
- Performed emergency medical procedures, such as basic cardiac life support (BLS) and other condition stabilizing interventions.
- Discussed illnesses and treatments with patients and family members in a supportive manner.
