- To continue to increase my experience in Nursing so I can deliver quality care to my patients, to be a valued member of the nursing team and an asset to my employer.
- Contribute in a positive manner to the noble profession of nursing and strive to be a valued member of the nursing team and my chosen profession.
- Work in an environment that promotes quality patient care, healthy living through patient education, as well as expand my own knowledge through the care experience and stay abreast of new technology and trends in the healthcare field.
- My interests include Medical-Surgical, Telemetry, Emergency Nursing and float pool nursing.

Work Experience
