Authorized to work in the US for any employer

Work Experience

Clinical Nurse

Lexington Medical Center - Columbia, SC

April 2022 to Present

Caring for Cardiac patients scheduled and recovering from various cardiac procedures.

Travel Nurse RN

Pro Link Travel Nurses - Fayetteville, NC

October 2020 to Present

Duties include providing care to med surge, telemetry, PUI, and COVID patients. Responsibilities include: admissions, pre/post-operative procedures, maintaining PCA pumps, wound vacs, and JP drains heparin drips. Our primary goal is to monitor patients for heart arrhythmias.

Travel Nurse

ProLink Staffing - Tucson, AZ

July 2021 to October 2021

Floated between Banner hospitals working med tele/PCU.

COVID-19 Vaccinator

Pro Link Travel Nurses - Cleveland, OH

April 2021 to June 2021

Contracted to work for Cleveland Department of Health as a COVID vaccinator, preparer in which we ran pop up clinics throughout the city of Cleveland and also administered vaccines to the disabled in their homes.

RN Staff Nurse

Prisma Health - Columbia, SC

June 2020 to October 2020

Worked for Double ICU, taking care of patients that needed to be monitored closely to include vents, trachs, drains, pre and post op patients.

Registered Nurse

Trusted Nurse Staffing - Buffalo, NY

February 2020 to May 2020

Duties include providing care to med surge, telemetry, PUI, and COVID patients. Responsibilities include: admissions, pre/post-operative procedures, maintaining PCA pumps, wound vacs, and JP drains heparin drips. Our primary goal is to monitor patients for heart arrhythmias.

REGISTERED NURSE

TRUSTAFF TRAVEL NURSES - Lynchburg, VA

April 2017 to February 2020

Duties include providing care to orthopedic, med surf, and neuro, patients. Responsibilities include: admissions, pre/post-operative procedures, maintaining PCA pumps, nerve blocks, wound vacs, JP drains hemovacs, heparin drips, and traction devices.

Clinical Nurse

John Randolph Medical Center - Hopewell, VA

April 2017 to December 2019

I worked in the float pool, where I float to the Medical Surgical Unit, Medical Telemetry Unit, and the Progressive Care Unit. I am responsible for pre-op, post op, assessments, admissions, discharges.

STAFF NURSE

SUNCOAST HOSPICE EMAPTH HEALTH

December 2016 to May 2017

Duties include case managing end of life patients in their homes, to include ordering supplies, comprehensive assessments, medication reconciliation, educating patients and families, wound care, consults, and other comfort care needs.

CLINICAL NURSE

Tampa General Hospital

October 2013 to March 2017

Duties included providing care to orthopedic trauma, med surg, neuro-surgery, or biker acted patients. Responsibilities included: admissions, pre/post-operative procedures, maintaining PCA pumps, nerve blocks, wound vacs, JP drains kovacs, heparin drips, and traction devices. I was also responsible for monitoring patients on medical telemetry, and video observation. Sometimes the job called for me to be charge nurse and maintain patient assignments.
