Compassionate, hard-working, dependable LPN, looking for an opportunity to work with a company that has flexible hours. I have experience with tracheotomy patients, terminally ill or comatose patients, patients with tube feedings, and COVID-19 patients. I am looking to expand my experience and knowledge regarding patient care in the healthcare field. I am CPR and BLS certified. I graduated with honors from Bryant & Stratton College in April of 2021.

Professional Skills & Training

- Obtaining vital signs: BP, heart rate, pulse
- Medication administration: PO meds, ointments, drops, subcutaneous and intravenous medication administration
- IV priming, tubing, and insertion
- Sterile wet-to-dry wound dressing
- Applying nasal cannula or oxygen mask
- Catheter insertion and removal
- NG Tube insertion and removal

Authorized to work in the US for any employer
