I am seeking a position as a Registered Nurse that will fully capitalize on my nursing education and experience while providing further career growth. I am confident that the skills and expertise I possess, coupled with personal initiative, dedication, and committed work ethic would be of benefit.

I welcome the opportunity to discuss this position in person at your convenience. If there is any additional information you would like me to provide, please feel free to contact me at the information above. I am eager to apply my energy, enthusiasm, and experience to your health system and look forward to hearing from you soon.

Thank you in advance for your time and consideration.

Sincerely,

Melissa Harry

Objective To obtain a position as a Registered Nurse with an opportunity for growth, that would educate, challenge, as well as enable me to contribute while utilizing my practical experience and education.
