Work Experience

RN Med/Surg Telemetry

Memorial Herman City - Houston, TX

August 2020 to March 2022

Educated patients and families on conditions, treatments, and possible outcomes.

Informed physicians of changes in patient conditions and nursing needs. Provided top-notch care, implementing infection control procedures to protect patients and staff.

Maintained safe, caring environments for patients and families. Administered medications to patients and monitored patient vital signs. Educated patients, family members, and caregivers on conditions and treatment protocols to aid in compliance and improve outcomes.

Devoted Serenity (Director Of Nursing)

Homecare - Cleveland, OH

November 2018 to May 2020

Organize and coordinate admissions, nursing, and patient home health care procedures. Consulted with clinicians to advise and manage effective ongoing care plans for patients.

Conducted regular re-evaluations to address changes in needs and conditions, introducing revisions to care plans as needed.

Trained new nurses in proper techniques, care standards, operational procedures and safety protocols to optimize performance and safety.

RN Med/Surg Telemetry

University Hospitals - Cleveland, OH

January 2018 to January 2020

Reviewed post-operative orders and continuously monitored patients post-operative vitals, set up PCA and fluids and oriented patients to unit to achieve optimal outcomes.

Followed established standards of nursing practices and implemented facility policies and procedures.

Educated patients and families on terminal diagnosis, disease processes, coping mechanisms, and pain management.

Treated patients with acute conditions such as heart attacks, shock, respiratory distress, and accidental injuries.

Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.

RN Supervisor

Eastbrook Healthcare Center - Cleveland, OH
January 2017 to November 2019

Oversaw daily rounds to assess patient conditions and distribute medications to patients.
Assembled and used equipment such as catheters, tracheotomy tubes or oxygen suppliers to effectively manage patient care.
Delivered basic patient care and treatments, including taking temperature or blood pressure, dressing wounds, treating bedsores, catheterizations and cardiac monitoring.

LPN Charge Nurse/Supervisor

Wickcliffe Country Place - Cleveland, OH
October 2015 to December 2017

I supervised and was a preceptor to newly hired nurses. I passed medications, practice safety and infection control, wound care, managed drains, peds, IV's etc.
