

# Nicole Hinchcliffe RN

260 65<sup>th</sup> Ct. SW Tumwater, WA. 98501 • Cell: 360-999-1101

## OBJECTIVE

---

Established Med/Surg RN with 2 years' experience in providing care at Allenmore hospital. Caring for and prioritizing care for up to six patients. Wanting to continue to grow as a nurse and expand on the skills I have developed over the past two years.

## MOST RECENT EMPLOYMENT EXPERIENCE

---

### *Allenmore Hospital*

*2019-Present*

- Worked closely with members of the patients care team. Communicating patient needs to achieve care plan goals.
- Worked near telemetry monitor- responsible for assessing heart rhythms and responding to patients accordingly.
- Cared for multiple patients while managing various procedures, administering medications, assessing patient needs and documenting in EPIC.
- Sought out opportunities to gain experience and solidify skills while expanding my knowledge base- Including the Code team and UBC.

### *Valley View Health Center*

*Dec. 2020-March 2020*

- Worked closely with Primary care doctors to provide holistic care.
- Responsible for providing education to patients with new diagnosis of chronic conditions such as Diabetes, and heart disease.
- Tasked with assisting with in office procedures such as EKG, wound care, and blood draws.

### *Lewis County Public Works*

*2016- 2019*

- Organized, recorded, and destroyed personnel and medical files according to current retention schedule
- Filing-various Road projects and personnel documents.
- Compiling Documentation for FEMA funded disasters and organizing into an Excel spreadsheet.
- New Employee Entries- Ensuring enrollment in required new hire trainings.
- Balanced County credit cards- securing all receipts and required documentation.

## CLINICAL EXPERIENCE AS A STUDENT NURSE

---

### Sites:

- Providence Centralia Hospital on the Medical, Surgical, Progressive Care, Emergency Department, and Outpatient Surgery units with progressive responsibility required in each arena.
- Providence St. Peter Hospital on the Pediatrics and Special Care Nursery Units

### Skills:
