## Work Experience

**St Thomas DeKalb ER (6/3/2019- Current)** I care for up to 4 patients at a time in emergency situations. I monitor vitals, perform focused assessments, draw labs, perform EKGs, and triage based on acuity. ER is a part of code team and rapid response. Extensive knowledge of emergent and critical patient care.

**University of Kentucky ER (Travel)(1/18/2022-4/23/2022)** Care up to four patients depending on acuity and providing care under physicians orders. Level 1 trauma center.

**Cookeville Regional Medical Center ER (Travel) (9/30/2021-12/25/21)** Care up to four patients with different acuity levels and providing care under the physician's orders.

**St Thomas Riverpark ER (6/3/2019-10/26/2021)** I care for up to 4 patients at a time in emergency situations. I monitor vitals, perform focused assessments, draw labs, perform EKGs, and triage based on acuity. ER is a part of code team and rapid response. Extensive knowledge of emergent and critical patient care.

**Tennova Healthcare ICU- (07/09/2018-6/1/2019)** (Now Vanderbilt of Wilson County) I worked in the intensive care unit (ICU) at Tennova Healthcare. I took care of 2-3 patients at a time depending on how critical they are. I am familiar with titrating drips and many IV lines going at once. I am also comfortable with patients on ventilators. I perform assessments and vitals at least every 4 hours on the patients. ICU is also a part of the code team and rapid response.
