Work Experience

Registered Nurse

Kindred Hospital SFBA - Medical Surgical - San Leandro, CA

January 2022 to Present

- Provide exceptional care to high-acute patients needing complex care such as ventilator management, extensive wound care and rehabilitation.
- Collaborated with Interdisciplinary Team members to target patient needs and personalize care plans.
- Interpreted diagnostic results and reported to appropriate team members to determine next course of action, while managing rapidly changing conditions.
- Carried out doctor's orders to include medication administration, blood transfusion, telemetry monitoring and carefully documented findings.
- Advocated for patients by communicating care preferences to practitioners, verifying interventions met treatment goals and identifying insurance coverage limitations.
- Educated patients, families and caregivers on diagnosis and prognosis, treatment options, disease process and management and lifestyle options.
- Delegated and oversaw tasks performed by LVNs and CNAs to ensure proper care.

Medical Assistant/Registered Nurse

MacArthur Gastroenterology - Oakland, CA

May 2017 to Present

- Assisted with endoscopic procedures (pre, intra & post-op), reviewing health history, initiating IV for sedation, documenting events of occurrence, and monitoring patient recovery.
- Educated patients on the preparation of endoscopic procedures, medication regimen, and lifestyle modifications.
- Collaborated with physicians, pharmacists and insurance companies to advocate for medication and specialized care specific to patient needs and limitations.
- Ensured diagnostic labs were ordered, completed and reviewed with physicians, assisting with the development of care plans.
- Trained new nurses in proper techniques, care standards, operational procedures and safety protocols.

Registered Nurse

Windsor Rosewood Care Center - Sub Acute - Pleasant Hill, CA

July 2021 to January 2022

- Assessed and implemented patient's care plan including wound and tracheostomy/ventilation care.

- Provided physical and psychological support.
- Collaborated with physician and multidisciplinary team members to promote patient health.
- Interpreted physical and laboratory findings and intervened appropriately.
- Advocated patient's health care wishes and best interest.
- Educated patient and family members on treatment plan.

Assistant Manager

Quickly's Cafe - Oakland, CA

June 2012 to October 2017

- Balanced currency in cash drawers at the beginning and end of shifts
- Counted and replenished inventory
- Resolved customer complaints
- Trained and oversaw employees
- Assessed project impact on workforce and raised concerns when needed
- Completed customer's order in a quick and efficient manner

Front Desk/Medical Assistant

International Pediatrics - Oakland, CA

August 2015 to April 2017

- Obtained patient's vital signs
- Provided guidance to patient's paperwork and financial concerns
