Professional Summary:

An enthusiastic, charismatic Registered Nurse with nine years of Labor and Delivery, High Risk OB and Mother Baby experience. With a passion for the specialty of Obstetrics I am certified in Inpatient Obstetrics and a Certified Lactation Consultant. This nurse brings an effervescent personality, positive work ethic, problem solving mindset and motivative strategies to any team. I am an accountable professional who is skilled at learning new concepts quickly, works well under pressure, and communicates effectively, with a “can do” attitude. With the ever changing progression of the healthcare industry it is my goal to continuously seek self-growth and knowledge development opportunities.
