EXPERIENCE

03-07-2022 – PRESENT

REGISTERED NURSE, UNIVERSITY MEDICAL CENTER (TELEMETRY/OBSERVATION)

- Collaborated with other members of the health care team including physicians to deliver quality health care to all patients.
- Developed excellent time-management skills with patient teams of 5 or more.
- Conducted thorough head-to-toe assessments and stroke assessments.
- Assisted residents with activities of daily living, encouraged participation in group activities, and provided daily, nutritious snacks for nourishment.
- Promoted patient safety during all patient interactions, such as transportation between common areas and patient rooms.
- Obtained vital signs, height, weight, and demographic data.
- Turned and positioned immobile patients safely while maintaining proper body alignment.
- Used nursing judgement to determine benefits vs. risk of medications and interventions.

05-06-2020 – 06-08-2020

NURSING STUDENT, UTEP SON AT DEL SOL (ACUTE CARE)

- Performed patient care and patient education duties in the emergency department, intensive care unit, post-anesthesia care unit, and the cardiovascular intensive care unit.
- Worked in various critical care units with respirators, IV's, and sterile environment.
- Assessed and monitored patient status and provided personal care.

09-02-2021 – 10-31-2021

NURSING STUDENT, AT THE HOSPITALS OF PROVIDENCE SIERRA CAMPUS (ACUTE CARE – PRECEPTORSHIP)

- Conducted thorough head-to-toe assessments of patients.
- Evaluated patient knowledge and provided education as needed.
- Interacted with patients and families to promote a supportive environment in the in-patient rehabilitation facility.
- Removed peripheral IVs as directed by RN preceptor.
