+1 206 251 6897

Astute, compassionate, hardworking PACU Nurse possessing skills in effective and culturally aware communication, patient assessment, and pain management methods.

Seeking to use strong patient care skillset while furthering professional development in the clinical setting. Committed to advocacy and working with a diverse population to provide quality, patient-centered healthcare.

## Work Experience

---

### **RN, Pacu**

Olympia Orthopaedics And Associates

September 2020 to Present

- Reviewed post-operative orders and continuously monitored patients' post-operative vitals, and oriented patients to unit to achieve optimal outcomes.
- Provided exceptional care to high-acute patients needing complex care such as airway/pain management, surgical wound care and ambulation.
- Delivered medications via oral, IV, subcutaneous and intramuscular injections, monitoring responses to address new concerns.
- Evaluated healthcare needs, goals for treatment, and available resources of each patient and facilitated at-home postoperative care with patients and family.
- Orchestrated quality-driven, cost-effective care for patients each day in high-volume ambulatory setting.
- Utilization of proper techniques, care standards, operational procedures, and safety protocols to optimize performance and safety.

### **Registered Nurse**
