## Work Experience

---

### **LPN Home Care**

Individual Family - Warren, AR

September 2015 to January 2019

I provide care to an elderly lady, including passing her meds, assisting in feeding, finger sticks and administration of insulin.

### **LPN Charge Nurse**

Red Oak Health and Rehabilitation - Lonoke, AR

October 2014 to August 2015

#### Responsibilities

I gave medication and provided all nursing care to the senior residents I was charged to care for each evening.

#### Accomplishments

I had a great relationship with the residents and enjoyed caring for each of them.

#### Skills Used

Lots of the psychological skills I learned in nursing school, my knowledge of medications and my wound care skills.

### **LP Clinic**

Monticello Medical Center - Monticello, AR

August 2013 to October 2014

#### Responsibilities

Triage patients, giving shots, transferring patients and assisting physician with minor surgeries.

#### Accomplishments

Demonstrated my knowledge of nursing skills.

#### Skills Used

Taking vitals, triage patients, admitting and transferring patients.
