PROFESSIONAL PROFILE

Exceptionally passionate colleague that is committed to be a significance to the healthcare system. In addition to my nurturing persona, I am a proficient communicator that can persevere through any assignment given the opportunity.

WORK EXPERIENCE

HEALTH SCREENER

Ventura College / 2022-Present

- Orchestrate a successful system to health screen students while on campus
- Resource individuals to a more efficient way to attend their selected courses
- Assess the general public for risk factors prior to entry

COVID SCREENER

Lifeline Medical Transport / 2020-2021

- Provide safe direction and administration of Covid test
- Be a service to bilingual patients and successfully collect their sample
- Accurately and safely don and doff hazardous PPE to minimize exposure to myself, co-workers, and the public

CERTIFIED NURSING ASSISTANT

Victoria Care Center / 2018-2019

- Assist all patients with acute and chronic obstacles in their daily living and activities
- Accomplish documentation while delivering patient care
- Achieve a better understanding of stable and life-threatening vital signs
