Work Experience

RN

Centerpoint Hospital - Independence, MO

February 2022 to Present

Emergency room nurse

PCT (Patient Care Technician)

Centerpoint Hospital - Independence, MO

March 2019 to January 2021

Direct patient care

CMT

NHC - Independence, MO

July 2017 to March 2019

I am the weekend CMT on the AL unit. I call doctors, get doctor's orders, and update mars. I administer insulin and asses my patients. I asses patients after falls and during periods of sickness. I supervise two CNAs during my shifts.

CMT

St. Mary's Mannor - Blue Springs, MO

January 2008 to July 2017

Responsibilities

I work as a CMT on the longterm care, skilled and RCF units. I am currently Insulin Certified. On all units I preform patient care as well as passing medications and doing treatments. On the RCF unit I check in medications from the pharmacy, and on all units have been responsible for ordering of medications. In the RCF unit I work as the charge person often, doing all treatments and documenting in the patient's charts when needed. I work well with others and give direction to the CNA's under me proficiently.
