Work Experience

Nurse Team Lead

South Mississippi Regional Center - Wiggins, MS

July 2016 to June 2022

Managed a total of seven nurses providing all health related care for adult IDD clients with psychiatric diagnoses. Performed scheduling for staff and of clients' appointments, medication administration, end of life care, IV med administration via PICC lines, phlebotomy care for labs, specimen collection, Covid testing of staff and clients, and served as resource nurse for community homes.

Provided new nurse hire training for community homes. Originated pertinent forms and task lists for daily performance. Served on infection control committee.

Night Charge Nurse

Forrest General Hospital - Hattiesburg, MS

November 2000 to March 2013

Performed all aspects of patient care on a telemetry/med-surg/stroke unit including medication administration and documentation for a full patient load (6-7) while being the charge nurse for the 33 bed high acuity floor.

Director of Nursing

Sunrise Behavioral Health - Picayune, MS

October 1997 to October 2000

Provided comprehensive nursing care for gero-psychology clients to facilitate them maintaining their highest functioning level in their environment . Also performed unit manager and case manager duties in their extended absences.

Staff Nurse

West Jefferson Medical Center - Marrero, LA

June 1993 to July 1997

Direct patient care of high acuity patients in the Long Term Accute Care Unit with cross training in the unit's ICU.
