Dear Representative,

I am pleased to be writing to your job listing for your RN position at your company as a new graduate seeking to broaden my scope of practice. As an upcoming nursing graduate with an RN from South College, I am eager to prove that I am capable of exceeding expectations. I believe that my qualifications fit the role in bringing forth critical thinking skills, calm demeanor to handle intense situations, and an organized work ethic.

The South College nursing program has provided me with a strong knowledge base and skills to deliver client centered care in a fast paced, challenging environment. With my past experience as a pharmacy technician and phlebotomist, I was able to enhance my communication skills and recognize my strengths in being a part of a collaborative team. I have managed to effectively prioritize client's needs and learned to adapt to circumstances quickly.

I look forward to an opportunity to meet with you for a personal interview where we can discuss the contribution, I could make to your team. My strengths include organization, calm demeanor, empathic nature and passion for providing quality care to clients and their families physical and emotional symptoms. I can be reached with the above address, email, and phone number to further discuss about my qualifications, skills, and experiences.

Sincerely,

Rebecca Edouard
