Work Experience

Registered Nurse

Connections CSP, Inc - Newark, DE

March 2018 to Present

I coordinate care for mental health and substance abuse clients, throughout the state of Delaware. I ensure compliance with medications, lab work, monthly or bi weekly anti-psychotic injections, preventative care procedures, keeping Dr. Appointments, and assist clients in transitioning into society. I am responsible for documenting all medications, taking off orders, setting appointments, reconciling the MAR's, admission intakes, and Hospital visits. I work closely with a team of case managers, nurse practitioners, physician assistants, and housing assistants to ensure optimum quality of care.

Registered Nurse

UNION HOSPITAL OF CECIL COUNTY - Elkton, MD

January 2016 to April 2018

Registered Nurse on Surgical Specialty Unit. I am responsible for admissions, discharges, Assessments, medication administration, assistance with ADL's, IV placement, NG tube placement, administering blood products, parenteral nutrition, EKG's, wound care. I am also a charge nurse on the unit where I ensure that all staff on the unit complete tasks delegated, ensure adequate staffing, and resolve issues with patients, families, and staff members in a positive manner.

Registered Nurse

Penn Center for Rehabilitation and Care - Philadelphia, PA

June 2015 to June 2016

Registered Nurse in acute care setting, for up to 12 patients daily. I was responsible for medication administration, admissions, and discharges.

Registered Nurse

Bryn Mawr Terrace - Bryn Mawr, PA

September 2013 to June 2015

i was responsible for care for up to 25 patients daily. My duties included admissions, discharges, medication administration, desk nurse, assistance with ADL's.
