WORK EXPERIENCE

Staff RN, High Risk Perinatal Unit, Northside Hospital, Atlanta, GA, **03/2022-Present**

Provide critical care to high-risk antepartum & postpartum patients with various diagnoses such as PPRM, IUFD, pre-eclampsia, gestational diabetes/hypertension, & multiple gestation. Administer meds, start IV's, perform fetal monitoring and non-stress tests, collect lab specimens, perform newborn assessments and care.

Nurse Case Manager, Behavioral Health, Cigna Medicare, Atlanta, GA, **03/2016-Present**

Maintain caseload of 50-60 behavioral health patients, assist with complex discharge planning, conduct home & hospital patient visits, create treatment plans, complete medication reconciliation, and attend weekly multidisciplinary rounds meetings.

Mental Health Clinician, Grady Memorial Hospital, Atlanta, GA, **07/2015-10/2018**

Conducted suicide risk assessments in the emergency room, determined appropriate level of care, linked patients to resources, and provided crisis intervention services on the psychiatric inpatient unit as needed.
