Work Experience

Registered Nurse

Dignity Health - Los Angeles, CA

July 2014 to May 2022

As a labor and delivery nurse I assisted in low and high risk deliveries, circulated in the OR, attended the newborn, facilitated inductions, managed high risk antepartum including ppprom, pyelonephritis, preeclamptic and diabetic patients. I also recovered the patients after deliveries in LDR and PACU. I worked with triage, admissions and discharges.
