I currently work part time as a women's health nurse practitioner/Certified Nurse Midwife. I am seeking employment that has more hours to offer, 20-40 per week. I have extensive experience with womens health, including primary care, menopausal care, and family planning as women over 30 comprise the majority of the patients I see in the office. I also see pregnant women for both prenatal care and problem visits. I have worked as an RN and as a nurse practitioner in the following areas:

Women's Health

Labor and Delivery (12 years as an RN and 12 years as a CNM)

Assisted Living (case manager and educator)

Memory care

My number is 612-327-0002 if you are interested in talking to me about the job.

Also my email is missjensenkean@gmail.com.

Thank you for your consideration!
