+1 337 263 5260

To obtain a position that will provide an opportunity to implement safe and compassionate care to my patients in a clinical setting. While being a proficient team member to give our patients the best care they truly deserve.

Work Experience

Woundcare Liason

Holly Hill Nursing Home - Sulphur, LA

January 2019 to Present

Performing treatments per orders and implementing preventative measures for residents at risk. Monthly body audits, MDS section M,V (CAA), ensuring quality measures are maintained and/or exceeded. Treatments of wounds as extensive as second degree burns, chronic pressure ulcers, and maintaining negative pressure therapy.

RN Supervisor

Lake Charles Care Center - Lake Charles, LA

December 2018 to Present

Ensure that facility continues to run smoothly, determine any staffing matrix changes, employees are in compliance with proper dress code, follow up with resident that require extensive assistance, assist staff with decision-making, and report any significant changes such as death, hospital transfers, or staffing concerns to the DON on Monday.

Emergency Nurse/Triage Registered Nurse

Lake Charles Memorial Hospital - Lake Charles, LA

March 2017 to Present

70601

Working acute care settings: Quickly assessing patients and remaining calm under pressure while safely caring for patients, Strong verbal and written communication skills with my co-workers and patients, able to perform intensive manual labor safely, and communicate compassion to patients and family members when appropriate. I also served the role as a pod leader where my task was to appropriately manage the pod that I was assigned independently without involving the charge nurse unless deemed necessary. This ensures follow-up for labs, bed assignments, discharges, etc.

Licensed Practical Nurse/Registered Nurse

Advantage Medical Professionals - Lafayette, LA

June 2016 to Present

70508

Working long-term settings: Admitting new residents, assisting physicians during rounds, assigning and delegating duties to non-licensed staff, monitoring resident care and supervising other nursing staff, performing ongoing assessments of residents' physical and mental health.

Working acute-care/hospital settings: planning and managing patient care according to each patient's needs, interviewing patients and recording their medical history, obtaining patient vital signs, administering injections of medications, verifying orders, observing and recording patients' conditions and reactions to medications and treatments, and maintaining peripheral IV lines and IV drug therapy within my scope of practice.

Licensed Practical Nurse

Licensed Practical Nurse

Christus St. Patrick Hospital - Lake Charles, LA

January 2013 to June 2016

524 Dr. Michael DeBakey Dr., Lake Charles, LA 70607

Medical Surgical Telemetry Unit duties are very similar: planning and managing patient care according to each patient's needs, interviewing patients and recording their medical history, obtaining patient vital signs, administering injections of medications, verifying orders, observing and recording patients' conditions and reactions to medications and treatments, and maintaining peripheral IV lines and IV drug therapy within my scope of practice.
